## HALO BY SCITON

Halo restores your skin's youthful glow. As we age, sun damage and the body's natural aging process can cause your skin to produce sun spots, fine lines, and lose its natural, healthy glow.

Halo precisely targets and improves the appearance of:

- Uneven skin tone & texture
- Appearance of fine lines
- Appearance of scars
- Discoloration
- Sun damage

## CONKLIN PSYCHIATRIC & INTEGRATIVE HEALTH Dr. Ginger Conklin

**Feel Like Yourself, More Than Ever Before.**

**NOW OFFERING KETAMINE THERAPY**  
Visit the first clinic in South Dakota to offer IV therapy for patients experiencing depression and feelings of hopelessness.

**NOW FDA APPROVED**

Ketamine can help treat the following:

- Anxiety
- Major Depression
- OCD
- Bipolar Depression
- PTSD
- Fibromyalgia

- Ketamine Therapy in Aberdeen, SD can rapidly treat severe depression, suicidal thoughts, and hopelessness.
- With a 70% response rate, patients have experienced dramatic relief of symptoms immediately after treatment, within hours or in the days following.
- Response and remission rates range from 3-7 days.
- A series of 2 treatments per week for 3 weeks have been shown to produce greater efficacy with longer duration of response per treatment.
- Ketamine Therapy administered intranasally is now FDA-approved for treatment-resistant depression

MAKE AN APPOINTMENT WITH DR. GINGER CONKLIN AT 605-725-HELP.
