CONKLIN PSYCHIATRIC
TOTAL INTEGRATIVE HEALTH

Dr. Ginger H. Conklin,
DNP-PMHNP

Dr. Ginger H. Conklin is an ANCC Board Certified Psychiatric-Mental Health Nurse Practitioner. Her practice is dedicated to bridging the gap between physical and mental health by optimizing overall health and well-being using a combination of traditional medical treatments and complementary therapies. Dr. Conklin is also certified in the treatment of Opioid Use Disorder through the American Society of Addiction Medicine.

Our *Integrative Health Program* at TPMS will guide you through your journey to health and well-being with an individualized plan of care. Our services are vast. They include, but are not limited to: various weight loss protocols, hormone and vitamin optimization, mental health care, health promotion and disease prevention. Our goal is to help you live an optimal life using a holistic approach and cutting-edge technology. Call us today for a free *VITALITY* consultation! 605-725-4SPA
