Total Package MedSpa is Remodeling!

This is an exciting time at Total Package MedSpa! We have decided to remodel our space in order to accommodate our growing services and patient base. Our owner, Dr. Ginger Conklin has recently received her Doctorate of Nursing Practice in Psychiatry. Since then, we have added Drug-Gene Testing (Pharmacogenomics) to our list of services. Stay tuned for more exciting news on how we plan to introduce integrative psychiatry with the help of our newest Doctor! More details coming soon!
