Dr. Conklin attended a 4-day intensive child and adolescent conference this month with up-to-date clinical pearls from some of the best Pediatric Psychiatrists in the nation. These Psychiatrists are affiliated with Georgetown University and teaching hospitals such as Mass General Hospital. They conduct key research studies that continue to change the way psychiatry is practiced. Dr. Conklin sees patients of all ages including children and adolescents

BBL HAIR REDUCTION

BBL Hair Reduction is the fastest, most comfortable, and safest hair removal option.

BEFORE TREATMENT

- Prior to your treatment, protect your skin from the sun
- No tanning beds
- Avoid plucking or waxing, but we recommend you do shave the day prior

FLEXIBILITY

- BBL Hair Reduction can treat most skin types and numerous areas on the body from sideburns to legs.

MULTIPLE TREATMENTS

- BBL Hair Reduction requires several treatments every 4-6 weeks to achieve optimal results.
- NOW is the best time to start in order to be ready for bikini season!

POPULAR AREAS

- Face (upper lip & chin)
- Brazilian
- Back (Men)
